PROFESSIONAL SKILLS

- AI Agents
- LLama Index
- Llama Parse
- Browser Automations
- Website Development
- Data Visualization
- Streamlit
- Langflow
- Livkit
- Retrieval-Augmented Generation

SOFT SKILLS

- Logic Building
- Research
- Project Management
- Critical Thinking

INTERESTS

- Working with New Modules
- Performing New Challenging Tasks
- Playing Chess
- Automate Daily tasks
- Planting

PORTFOLIO

- Indeed Jobs Applier bot
- Linkedin Connection Request Sender
- Leopards Tracking Checker Portal
- Courier Data Visualize
- Loepards Tracking Checker
- Certificate Ganerator

Work Experience

AI Agent Developer
i3Media-2024
Developed AI agents using LLama-index, LivKit, Lanflow, and related tools with interactive Streamlit UIs; optimized workflows and performance for efficient language model integration.

Automations / Data Visualization
Freelance - Facebook
Worked on many projects like, Data Visulaization, Browser Automation, Data Handling Worked with Libraries like Selenium, Plotly, Matplotlib, Pandas, Pyopenxl, CSV, Request, OS, pywhatkit Word to PDF,& much more.

Educational

Intermediate - Engineering
GBD Collage - (2022 - 2024)

Matriculation - CS
GBD Collage - (2020- 2022)

Courses / Certifications

AI Agents & Robotics
PIAIC (2024-Continued)
Learn Python , RAG, LLAma Index and other AI Frame Works

Agents & Chatbots
Tech with tim - Youtube
Gained expertise in Llama Index, Llama Parse, Streamlit, LivKit, Langflow, and other AI modules and libraries.

Nextjs Development
Governor House (Fab-2024)
Learnt html, Css, Javascript, Typescript, Nextjs, teilwind CSS

Python Programming
AIET - Karachi (jan 2023)
Learnt about Python Programming, Numpy, Pandas, CSV and File handling, selenium, Django (basic), Plotly, Matplotlib

Web Development
AIET & Coursera (Aug 2022)
Learnt about Html, CSS, Javascript and Typescipt
